

Be Present.

WAKE UP TO GOD'S WORK

The world seeks to distract us

- hearing God's word is not enough
- the world applies pressure to our lives
- our lives can become useless

Be Present.

The world seeks to distract us

Seek to remain present

- Be still before God
- Focus on God's kingdom
- Walk humbly
- Remain vigilant

Be Present.

***Distractions can cause
us to miss out on what
God is doing in the
present moment.***

Be Present.

Find a specific time this week to set aside distractions and be present with God and other people. Cope with distracting thoughts by writing them down to deal with later.
